Fulvio de Giovanni

Solutions Architectures | Pre-sales | Technical Exec. Advisor

2026 HIGHLIGHTS

Authored and Moderated the AI&Commerce Panel at PayPal Beyond flagship event (June 16th), a thought-leadership engagement with 12 CEOs, 2 VPs from leading Italian brands.

Voted #1 Top session, +35M annualized revenue (est.)

Designed and deployed production-grade agentic systems: workflow automation pipelines for privacy-first, self-maintaining, queryable knowledge base **+34% av. Deal Velocity, +21% Team Capacity (est.)**

Solution Design for the UK's first Agentic Commerce Platform, bringing agentic commerce from concept to live in UK **1st country outside US**

Technical Consultancy for one of PayPal's biggest clients and a major commerce platform, aligned five internal functions and the partner even with no formal authority, and shipped on time. **+1B payment volume by 2027**

WORK EXPERIENCE

PayPal April 2022 - present

GLOBAL TECHNICAL PARTNERSHIPS

- **Pre-sales Solutioning and trusted advisor for Strategic Partner Platforms with impacts on 3B+ USD of PayPal's turnover.** Forging technical partnerships with **top-tier clients** around the globe, acting as **technical counterpart** with IT and engineering leaders, Heads of Function, Product Managers and Account Managers; C-level interactions on domain expertise, internal and partner-side.
- **Cross-Functional Leadership:** Orchestrating efforts across Sales, Engineering, Product, Tech, Support and Customer Success to align priorities, allocate resources, and optimize team skillsets. Managing project timelines and contributing to resource planning to support the execution of strategic initiatives beyond standard business operations.
- **Scaling new product adoption in Europe** through pilots, leading the end-to-end Project Management; negotiating technical requirements, roadmap and timelines with external stakeholders and C-levels.

PayPal Nov. 2017 - Apr. 2022 **PARTNER SOLUTIONS**

- **Solution Design** for marketplaces and commerce platforms across shopping carts, banks and PSPs, business platforms and system integrators.
- **UX advocate and Voice of the Customer**

PayPal June 2014 - Nov. 2017 **INTEGRATION MANAGER**

- **Solution & Integration** for enterprises in Italy and Europe, leading the integration life-cycle from design to implementation into the client's infrastructure
